

NIH Collaboratory **Coordinating Center and Core Publications**

(See reverse side for Demonstration Project Publications)

Please complete these steps, as required by our policies and funding.

Before Publication

Is some or all of the work supported through the efforts of the CC or the Cores?

If yes, please include this language:

"This work is supported by the National Institutes of Health (NIH) Common Fund, through a cooperative agreement (U54 AT007748) from the Office of Strategic Coordination within the Office of the NIH Director. The views presented here are solely the responsibility of the authors and do not necessarily represent the official views of the National Institutes of Health."

Does your work include a description of an NIH Collaboratory Demonstration Project?

If yes, please allow the Principal Investigator an opportunity to conduct a review, limited to the factual accuracy of the description of the Demonstration Project, at least 2 weeks in advance of initial journal submission.

NIH Collaboratory Coordinating Center staff can facilitate this process and convey draft manuscripts to Demonstration Project PIs for confidential review. Please e-mail us at nih-collaboratory@dm.duke.edu and include the subject heading "manuscript review."

Please notify the NIH Collaboratory Publications Committee.

It's easy! Email us: nih-collaboratory@dm.duke.edu.

With the understanding that we can expedite things as needed, please allow a month for review and input.

After Publication

Please let us know your work has been published.

Email : nih-collaboratory@dm.duke.edu.

We track and report on publications as part of the NIH Collaboratory grant. We also want to share and promote your work!

Ensure your applicable peer-reviewed manuscripts are archived in PubMed Central per NIH requirements. Include the NIH Collaboratory grant number. (U54 AT007748)
